

Dear valued O&G customer:

Help us all "Go Green" by taking advantage of O&G's new Paperless Billing system.

- Receive your invoices electronically at up to three email addresses.
- Initially, our Masonry store customers will also benefit with electronic facsimiles of their yard tickets at the same time. Other material customer ticket facsimiles will follow.
- Your invoice is delivered as an industry standard PDF file, ready to be stored electronically in your accounting system without any additional scanning.
- We protect your privacy and value your time. Your email address will only be used by O&G for billing and important notices.

A facsimile of your Masonry ticket is included with your electronic invoice!
